Count Every Blessing...

Dear Friends,

What a very special year this was. Filled with ministry, traveling, adventures and all kinds of trials and blessings. This year we had the opportunity to see God's hands in our plans and paths. It is such a big truth what Proverb **3:6** *In all your ways acknowledge him, and he shall direct your paths.*

Every month we saw how God directed our path, and that is wonderful. We rejoice in doing His will.

This year I had the opportunity to travel to Spain 3 times and every trip was very special. In June I had the chance to go with Lena, we visited the Martinez family who are the directors of Word of Life in Spain. It was a time of fellowship and encouragement also a time of confirmation of God's path for our lives. This means that we are moving to

Juan Marcos, Lena, Esteban and Gracia!

Sant Celoni, Barcelona (Spain) to be involved in the ministry there. This means

another huge challenge for our family, a big change, and we are thrilled to be part of God's plan.

This year I also had the privilege to travel with our Christmas program in the East of Ukraine. This year Lena and I had the privilege to teach in the Bible Institute, I taught 4 subjects and Lena a few topics for the girls. Esteban finished his second grade and Gracia is getting ready to start her first grade sometime next year. We also had the privilege to be involved in the summer camp, me doing all the multimedia and Lena working with the girl counselors. This year also we celebrated the 10th anniversary of the Bible Institute, we saw more than 400 students come through the school and for God's glory most of them are involved in the ministry.

We are Going on Furlough

Lord willing on February of 2012 our family will be going on furlough to raise the support that we need to move to Spain. We'll be traveling through many towns, cities and states visiting friends and Churches, our prayer and

desire is to reach the 100% goal of our support as soon as possible. Will you help us with prayers so that the Lord will guide us to the right people? Thank you for being part of our team, thank you for your effort.
